Malcolm Knoll (malcolmknoll@gmail.com)

Malcolm will confirm your registration via email. Once you are confirmed Malcolm will send out an invite to opening night. At opening night you will get a brief 15 minute orientation about the league, you can pay your registration fee and then play your first round! If you can't make opening night, you pay registration your first Monday night out!

Handicaps are not required to play in this league, but may be used to win certain games on certain nights. This league is very fun, social and low key. If you are looking for something more formal try the Eagles on Wednesday evenings.
