

Subject: 2016 River Spirit Senior Men's Inter-club

Hi Guys - It's getting closer to the golf season and the start of this years Senior Men's Inter-club League. The 2016 season starts May 25 and runs to August 24. Again, this year there are four Leagues consisting of 8 golf clubs in each League.

Games are played on a "home and home" basis against another golf club in the Calgary district with two "A" players with a index of 0-15 competing against the other club and the same for "B" players with a index of 15- an above.

Games are played mostly on Wednesdays and start at 8:30 AM unless advised otherwise. Green fees and pull carts are provided free by the clubs on a reciprocal basis. Power carts are the responsibility of the individual player.

The annual administration fee for the club to be a participant is estimated to be \$180.00. I will pay this fee when the invoice arrives but ultimately the cost will be each individual players responsibility. The cost per player is estimated to be \$6.75 for each "home and home" Series. I will keep track of this cost and collect from each player at the end of the season.

The "Home and Home" series 2016 scheduled as follows.

- Series 1 - May 25 and June 01
- Series 2 - June 08 and June 15
- Series 3 - June 22 and June 29
- Series 4 - July 06 and July 13
- Series 5 - July 20 and July 27
- Series 6 - August 03 and August 10
- Series 7 - August 17 and August 24

The home and home games are noted as a SERIES because of the reciprocal nature of playing the same opponents and paying for and receiving lunch after the game. If a player can't play the River Spirit home segment of the Series, he will pay \$35 (or as agreed) to the substitute player to cover lunch.

You must be 55 years of age or older and be an active member of River Spirit
